

## **ACTS Mission and Vision Statement 2010/2011**

Having discerned the signs of the times, *through prayer* within the context of the current South African youth environment, ACTS sees the way forward as a product of:

- encountering Christ,
- transforming us
- to transform others.

**Addressing:**

- Lack of commitment
- Lack of knowledge about our faith
- Student poverty
- The sustainability of Catholic Church in S. Africa
- Issues around equality and unity
- Loss of our Catholic identity, pride and ownership of the Church,

*Hence; ACTS views evangelization as a centre of forming strong, sustainable proudly Catholic communities of friends.*

- Encourage commitment through the adoption of Student Servant Leadership Model;
- Encourage active participation to bridge the lack of knowledge about our faith
  - Could be used
- Discern economic policy that addresses student poverty
  - Self-sustainability model
- The sustainability of the Catholic Church in South Africa
- Issues around equality and unity
- Catholic identity, pride and ownership of the Church, hence;

**Proposal:**

(a) student poverty plan: donations from well-to-do campuses, to poor students in other campuses-handled by chaplains/ branches OR

(b) collaboration with non-politically affiliated societies and petition SRCs for funds
